Admindesk offers a variety of Administration, Human Resources, Bookkeeping, Policy & Procedure preparation services, as well as, Business Guidance & Development for businesses that are new, developing, in transition or restructuring. The Admindesk team also helps as needed with projects that are overwhelming for an owner or their staff. Reasonable rates, the ability to work with a variety of budgets & a “close to the heart” focus on the success of Small & Medium sized business, the owners & their staff are some of the reasons why we are often the first call for help.

The business after 5 will be an overview of services with some ideas for goal setting & follow through for those attending that can be used right away to help with achievement. As well as a brief update on what needs to be done to comply with Bill 168 that comes into effect June 1, 2010.
