

Pre-Paid Legal Services®, Inc.

The Oro-Medonte Chamber of Commerce would like to announce that PPL Legal Care of Canada Corporation (the Canadian subsidiary of Pre-paid Legal Services®, Inc.) is now an Affinity partner with our Chamber. PPL Legal Care is a program that contains significant value for our members.

It's not often, in today's environment that you can offer a company benefit for your employees at no costs to your business. The program is 100% employee paid. PPL Legal Care of Canada Corp. also offers a full identity theft restoration service, the Identify Theft Shield and a great Business Solutions Plan that can be used to offset the cost of corporate legal and business consulting needs.

We think your company would benefit by considering PPL Legal Care. For only pennies a day, employees can obtain comprehensive, affordable legal services for their families. It is our conclusion that this will become one of the best company benefits that the Oro-Medonte Chamber of Commerce can recommend to our members and similar to our Group Insurance Program, the Chamber will also benefit in a small way. Today, there are thousands of companies providing this valuable benefit to their employees across the nation.

In the near future, please welcome a call from our PPL Legal Care of Canada partners, asking for an appointment to show you how you and your staff can benefit from this program. Please also feel free to contact Teresa Woolard (705) 733-9178 teresawoolard@prepaidlegal.com or Barry Kadis 705-325-0292 Toll Free 1-877-999-5234 barry@kadis.com www.kadis.com.
